

7 Westfield Park, Bristol, BS6 6LT

£2,250 Per Month

A rare find in this prime Clifton location, this spacious three-bedroom garden flat comes with both an allocated parking space and a private garden – two features that are almost unheard of this close to Whiteladies Road.

The property offers three generous double bedrooms, a large lounge perfect for relaxing or socialising, a separate kitchen and a bathroom, all warmed by gas central heating. Step outside and you are moments from shops, cafés, bars and excellent transport links, making it ideal for students at Bristol University or The Old Vic Theatre School.

Homes that combine this location with outdoor space and parking are exceptionally hard to come by. If you want the Whiteladies lifestyle with space to breathe and somewhere to park, this is one you cannot afford to overlook.
