One of Cotham's Most Spacious Studios?

If you're looking for a studio but don't want to compromise on space, this could be the one. Situated on the top floor of an attractive Victorian villa in a quiet Cotham road, this exceptionally spacious studio apartment offers considerably more room than the average studio.

The accommodation comprises a very generous main living/bedroom, a separate kitchen/diner and a good-sized modern bathroom – giving the apartment a much greater feeling of space than a conventional studio. Ideally located for the University of Bristol, BRI, Whiteladies Road, Gloucester Road and the City Centre, it's particularly well suited to a single professional or postgraduate looking for a spacious home in one of Bristol's most popular neighbourhoods. Unfurnished.
